

Act 1

We open up on JAKE. A 25-year-old Male identifying. He is eyeing the table in front of him with five chairs and decides to move two off to the side.

He then sits down at the table. There's Italian bread on the table, a floral centerpiece in the middle, and a full spray bottle of water next to it. He pick's up the spray bottle and fumbles with it for a bit before putting it back.

Jake begins playing on his phone waiting for the rest of his party to arrive. He reserved the room for the evening as it is the 1-year anniversary of STEVEN's death. Steven was Jake's twin brother, and LINDSEY and ROBIN's best friend.

After a minute or two alone, Lindsey and Robin both arrive at the same time. Lindsey and Robin are childhood best friends with Steven and Jake. They meet in kindergarten and haven't stopped being friends since. Jake stands to greet them.

JAKE

Fashionably late once again.

Jake stands up and hugs both Lindsey and Robin

ROBIN

It's so good to see you too, Jake!

LINDSEY

JAKIE!!!!

After embracing and settling in - (Ad lib greetings)

JAKE

I got some wine for the table.

Everyone takes a seat and pours themselves some wine.
They begin to toast to Steven.

ROBIN

To Steven. The best brother, bestie, and baker this side of Mississippi.

ALL THREE

To Steven. (They clang glasses and take a drink)

ROBIN

What a year...it went by so fast.

They sit in a silence for a moment. Lindsey begins to sing "Seasons of Love" from Rent.

LINDSEY

(Begins quietly...) 525,600 minutes....

JAKE AND ROBIN

Shut the heck up. (Ad Lib hushing Lindsey)

The group share a laugh. Jake grabs Chekov's spray bottle and sprays Lindsey in the face like a dog.

LINDSEY

Jesus! Where did you get the spray bottle?!

JAKE

It was just here when I got here.
